

It was a great day last Thursday with perfect weather and conditions for our Tournament. It was a success due to all 59 members who participated from ten clubs including Ashburton.

I wish to thank Sue who organised the raffles and presented a wonderful display. Elaine who organised the morning tea and those who brought the food. Lorraine and Judi for cleaning up after the morning tea and those who cleaned up at lunchtime. Janice and Joy in the starter's office, Chris and Elaine for doing the results and Stewart for collecting the nearest pin and straightest drive pins. Dick for MC and Robynne for pulling it all together and getting the prizes. To the committee for setting and tidying up. Barb Williams who did the floral arrangements.

A special thank you to those members who donated so we could purchase raffles and towards the running of the tournament.

A very special thank you to Bruce Leighton our Patron who presented the prizes to the winners.

The committee is planning to have a Tournament debrief in the next fortnight. To those who attended the Tournament we would appreciate your comments - positive or negative. Please contact a committee member who can bring them forward.
