

Paddy's Prattle 30 October 2024

Not a lot to report this week, Saturday was a blow out with the course flooding due to the big downpour. Matts Sega golf Pro shop day will be re arranged to play soon. On Monday the Labour Day Centennial Trophy saw 34 players turn up. The course had drained wonderfully and was beautiful and green. Top score of the day was a superb 74 off the stick 41 points for Richard McKernan, great effort. He ended up 3 shots clear of Greig Sparrow and Mary Lou Watson. Well done to all.

This Saturday we have the Santa Marie trophy and the final round of the RMF Siva Cup. This is a stroke round and will be hotly contested. Mike Kelly sits atop the RMF Silva standings one shot clear of George Brown. All of the top twenty will be playing together in the afternoon so it should be a great finish to this season long tournament, where someone will walk away with a free sub for next year thanks to our great friends at RMF Silva.

Next week we have course maintenance so we will be closed for the week. Then on Saturday 9th, I believe we have a 4 player team scramble playing for the John Richards memorial trophy.

That will have to do for now, short and sweet this week. Good golfing
