Sega Golf

Pro Shop Tournament

Modified Trainwreck Stableford

I would like to invite everyone from all golf courses to come play in my first Pro Shop Tournament for 2025. It is a good chance for all golfers to play different golf formats that usually would not get played during the calendar year. I offer great prizes for those who play well and spot prizes on the golf holes that just one great shot to win.

Competition Details:

- **Modified Trainwreck.** Each player scores Stableford points as usual. If you score 0 points this time you only lose your last holes points. If you score 0 points twice you lose your last 2 holes points. If you score 0 points three times you're OUT! (All points are gone you start again from 0.
- **Closest to the Pin's** on all Par 3's.
- **Men's and Ladies Longest drives** on Hole #18.
- **Anyone who gets a "2"** will automatically go into the draw for a bar voucher prize.

Tournament Details:

- **Course:** Ashburton Golf Club
- **Tee Times:** 8:00am & 12:30pm
- **Cost:** \$10.00 per person

I can't wait to see you all there and I hope the weather is kind to me.

Thanks

NZPGA Golf Professional Matt Davis
